

The above four photos show the beautiful detail work done by Jack Bodenmann of Grover Beach, CA. The locomotive is owned by Peter Nott of LALS

Ron Rees of Wasilla, Alaska

Berkshire built by Wayne Karn of the Mid-Michigan Live Steamers

These four photos show a Berkshire completed by the late Jack Sessums of Redlands, California. In the two photos on the left, Jack is testing the locomotive at the Riverside Live Steamers. The engine is owned by Gil Beard (That's Gil on the right in the bottom right photo.) of the Sacramento Valley Live Steamers

Two photos showing the late John Bortz of the Pennsylvania Live Steamers

The late Linwood Knight with his Berkshire

The late Vaughan Cherry of England next to his Berkshire

Progress being made by Ken Owens of Bayside, New York

Additional Construction Photos
